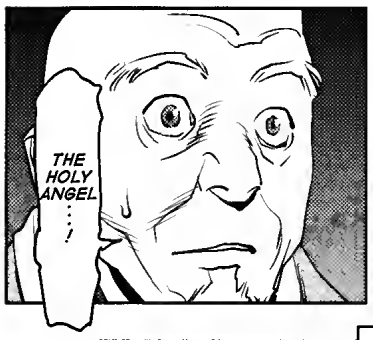
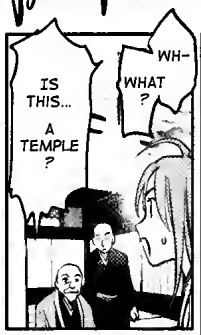
tune.2

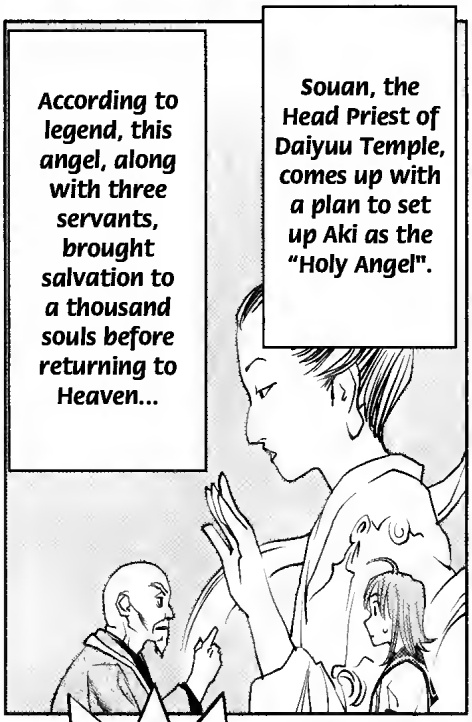




With a thunderclap, high school girl Kurebayashi Aki (17) has for some reason fallen, guitar in hand, into an old Edo-period temple.

Souan, the Head Priest of Daiyuu Temple, comes up with a plan to set up Aki as the "Holy Angel".

According to legend, this angel, along with three servants, brought salvation to a thousand souls before returning to Heaven...



Will Aki be able to help a thousand people and return to 2008?

AHH...
NOW THIS IS HOW YOU START THE DAY!
THAT OLD GEEZER TOLD ME NOT TO TAKE SO MANY BATHS BECAUSE HEATING THEM USES UP THE FIREWOOD...
BUT I JUST CAN'T START THE DAY WITHOUT ONE!

IT SURE IS A PAIN LIVING WITHOUT GAS OR ELECTRICITY, THOUGH...
I WONDER HOW THEY CAN LIVE IN A PLACE LIKE THIS...

THERE IT IS——!!

HOLY ANGEL……
I TOLD YOU TO CUT IT OUT, DO YOU REALLY SERVE THE BUDDHA OR WHAT?!
IN OTHER WORDS, THE THREE SERVANTS WILL HAVE THE SAME "SIGN"
AS THAT FIVE-POINTED STAR BIRTHMARK ON YOUR BUTT——!!
HUH……
WHAT?
THE LEGEND SAYS……
THAT THE HOLY ANGEL AND HER THREE SERVANTS ARE ALL MARKED WITH THE SAME "SIGN"…
